

Lyons Regional Library District Meeting Space Policy

It is the mission of the Lyons Regional Library to provide access to quality resources and programs that serve the lifelong cultural, educational, informational and entertainment needs and interests of people of all ages and backgrounds within Lyons Regional Library District. To this end, it is the Library's ultimate goal to provide meeting space to the community to further this mission. However, due to the shortage of space while we are in our temporary location on Main Street we are not able to offer meeting space at this time for non-library sponsored events. Our future building, forecasted to be open by the end of 2018, will offer meeting space and we are very excited to develop this opportunity for the community. For questions please call the Library at [303-823-5165](tel:303-823-5165) or email our Director Katherine Weadley at "katherine@lyonsregionallibrary.com".
